

## ISQRMM Research Grant 2022 Call for Applications

### Funding Opportunity

**Title:** Music and Medicine: Looking into the body for the wellness and joy that the arts bring to the human mind, body, and soul.

### Grant Overview Information

ISQRMM is pleased to announce the availability small research grant opportunities for the 2023 conference cycle. The grants will support both established researchers and students to undertake a research on music and medicine. The awardee shall be expected to present the research findings at the 2023 ISQRMM conference. A total of \$1,700 will be awarded to five (5) recipients as follows:

Two (2) established research awardees shall receive \$400.00 each.

Three (3) student research awardees shall receive \$300.00 each.

### Funding Opportunity Purpose

ISQRMM small grant is intended to: (1) increase our understanding of how music affects the human body, mind, and soul when it is used therapeutically and / or (2) use that knowledge to better develop evidence-based non-pharmacological interventions to enhance health or improve the quality of life through their impact on the human mind, body and soul. The modalities of research shall include but not limited to music, crystal bowls, dance, art, Chinese medicine and others.

### Terms of the Grant

All applications to this funding opportunity announcement should fall within the mission of ISQRMM which is *to explore using evidence-based research the unanswered questions regarding the efficacies of all forms of non-pharmacological interventions including but not limited to music, crystal bowls, dance, art, Chinese medicine and other indigenous sound healing modalities and their effects on the human mind, body and soul.*

The grant recipient is required to present at the *ISQRMM Virtual conference to be held on June 3<sup>rd</sup>-4<sup>th</sup> 2023.* The presentation mode can be in any format such as individual paper, workshop, or poster.

**Eligibility:** This grant is open to applicants from all nationalities. The applications must be written in English and the applicants must be able to communicate and write in English.
